—Don't fill the system with quinine, to prevent or cure Fever and Ague. Ayer's Ague Cure is the Specific for this disease, and leaves no poisons to produce dizziness, deafness, headaches or other disorders.

—Messrs. J. E. Jones, Dorsey and Warren Noteware, J. Tobriner, Geo. Hark and J. Viera all of Carson, are talking of buying 100 shares of Artesian Well stock and having a well put down on the East side of the Valley, where they all own land.

—Parties desiring a first class article of bacon or ham should call on C. H. Kelly the leading grocer of Carson. He is also daily in receipt of the freshest and sweetest home made butter to be found anywhere in the State. Good eggs at 35 cts., per dozen.

—Cleveland wrote over his signature that he considered one term of the Presidential office enough for any man. As he looks over the country, and sees the growth of the Protection sentiment we are of the opinion that he is beginning to feel that way again.

—The Washington Star says that a proposition is under consideration by the Democratic campaign managers to arrange for a joint discussion of the tariff question by Carlisle and Blaine in twelve of the principal cities of the Union, to be named by Blaine and the Speaker.

—Truckee is fast becoming notorious as a resort for bad characters, tramps, thieves and dissolute men and opium fiends.

The Republican calls for a general cleaning out of the whole gang. There are a lot of these characters in Carson who ought to be made to move on.

—The editor of the Independent wants to know why wool is selling at 13 cents a pound in this State with an import duty of 10 cents per pound on imported wool. It looks to us as if the answer were already embodied in the question. Take the 10 cents per pound duty off the wool and then let the Independent editor tell us why it will not be selling at 5 cents per pound, instead of 13.

THE CLUB.

It Holds a Business Meeting Last Evening.

There was a business meeting of the Republican Club last evening at the Old Theater. C. A. Witherell offered the following resolution: Resolved, That this Club place in the field a ticket for delegates to the Republican County Convention to be held some time in Sept. 1888.

Resolved, That notice be given as the Club may direct, that all Republicans be requested to join the Club before a certain date, to take part in the election of said delegates.

Resolved, That each and every delegate proposed shall before voted for by the Club pledge his word of honor that he has not pledged himself by word or implication, that he will vote for any particular candidate now in the field; or who may come out as a candidate, but will if elected vote for the best men presenting themselves for the various offices.

On motion of T. R. Hofer it was decided to postpone action on the resolution until the next meeting of the Club in order to ensure a full attendance and free discussion. After transacting some miscellaneous business the Club adjourned, to the first Saturday in September.

The Circus Sale.

Tomorrow the sale of the ring stock of Forepaugh's circus will come off at Folsom's hay yard at 2 o'clock p. m.

Everything will positively be sold without reserve. There is a fine chance to pick up some good bargains, and several fathers have their eye on that elegant little pony to buy for the children.

The horses are all in good condition and the stock is all first class.

For Harrison and Morton.

S. T. Kalso of Teels Marsh, Esmeralda county, a prominent Democrat, writes to W. G. Phipps of Virginia City, that he is going to vote for Harrison and Morton, in the firm belief that Grover Cleveland is the most powerful enemy silver has to contend against in the United States, and that protection is the true policy to follow in America.

Another Convert.

John Rodgers, the well-known rancher of Smith's Valley, was in the city yesterday. He said to a number of gentlemen at the Ormsby House:

“I have voted the straight Democratic ticket all my life, but if the Lord lets me live I will vote for Harrison and Morton next November. I mean just what I say.”

Ormsby House Arrivals.

The following is the list of people who arrived at the Ormsby House yesterday:

W. H. Roberts, S. F.
 E. W. LaRue, Virginia.
 J. A. Rogers, Wellington.
 H. Harris, Genoa.
 E. Cohn, Genoa.
 A. L. Lindsey and Wife, San Jose.

The Reason Why.

“How elegantly Mrs. — dresses of late.”
 “Yes, indeed, but her hired help hasn't had a cent of wages for six months.”

The above floated down main street yesterday afternoon, and shows how women will talk.

—Young, old, and middle-aged, all experience the wonderfully beneficial effects of Ayer's Sarsaparilla. Young children, suffering from sore eyes, sore ears, scald head, or with any scrofulous taint, becomes healthy and strong by the use of this medicine. Six bottles, \$5.

A Practical Argument.

John Wanamaker, the great Philadelphia merchant, relates that “one of the best known manufacturers of Great Britain, an old and very able business man and a member of Parliament, said to me when visiting this country some months ago, ‘Give us some special orders; we have not been able for a long time to run our looms, and we will be willing to set apart certain looms for you and make any specialties you wish, and confine the goods solely to your house.’”

“Why don't you run all your machinery? I asked.

“Your confounded Protection is our trouble, he answered.

“Well, pull up stakes and move one of your factories over here. America would welcome such an industry as yours.

“The very wise and prompt reply of the British Legislator and manufacturer was:

“If you can guarantee that Protection will remain as it now is we will move over here immediately—

“Ah then, said Mr. Wanamaker, when you have your looms and works in Europe you are opposed to Protection in America, but if you moved over here you would insist on having it.

“As an Englishman you are down on protection, but if your interests were in America you would demand it.

“Your consistency is not as clear as your self-interest.”—Utica Herald.

Why Vote for Cleveland?

Nevadans should vote for Grover Cleveland for several reasons, says the Lyon County Times, among others, some of the following:

Because under his reign the Mint was closed as a coming institution and an assay office made of it.

Because he has reduced the pay of nearly every Postmaster in the State.

Because he has reduced our mail service and has it cut down in every instance where it was possible, to the inconvenience of a large number of people.

Because he would rather see the Australian wool-growers get from 4 to 5 cents more a pound for their wool than they do, and Americans from 5 to 8 cents less a pound.

Because he is in favor of gold alone as money, and would not care a d—n if every silver mine in Nevada was closed down.

Because he has never been in favor of an appropriation of any kind for public purposes for Nevada.

And because he is especially hostile to this Coast because it did not give him a majority four years ago.

These are all good reasons.
